

## Fay Honey Knopp Award Application

ATSA's Board of Directors continues to fund a FAY HONEY KNOPP AWARD for each conference. The Award has been designated to honor Honey's memory and her life's work. The Award is presented to a person working in the field of sexual abuser treatment or research who, without financial assistance, would not be able to attend the ATSA conference. However, financial necessity should not be the primary reason for applying. The Award is specifically designated to honor a person whose work and spirit is an inspiration to those with whom s/he comes into contact.

The Award consists of full conference registration fees; five nights lodging at the Albuquerque Convention Center; airfare (within North America) to and from the conference in Albuquerque, New Mexico.

The Executive Board of Directors encourages you to apply for this award OR to assist someone you know in applying. The recipient does not need to be an ATSA member. Both students and non-students will be considered. The application packet must include the necessary identifying (name, physical address, phone numbers, e-mail address, university, degree, etc.) information, as well as a narrative including:

1. Reasons for applying for the Award or nominating an applicant for the Award;
2. A description of the applicant's work with offenders;
3. A summary of the applicant's professional goals and objectives;
4. How the applicant would plan on sustaining Honey's vision and mission of eliminating sexual abuse and making our communities safer;
5. How the applicant's current work and life parallels Honey's philosophy;
6. A Letter of Recommendation from a colleague who is aware of the applicant's work.

The completed packet must be received in the ATSA office by **AUGUST 2, 2005**. E-mail ([atsa@atsa.com](mailto:atsa@atsa.com)) a cover letter containing a physical address, e-mail address, and telephone number where you can be reached through the end of August.
