

**ATSA Executive Board of Directors
Adult Clinical Practice Representative
2022 Election**

The ATSA leadership consists of an Executive Board of Directors who bring a range of expertise to guide and provide governance for the association in fulfilling its mission and provide vision and support for the Executive Director and ATSA associates.

Term of Position

The Adult Clinical Representative's term on the Executive Board of Directors is three years (2023 -2025).

Position Description

The Adult Clinical Practice Representative is **elected** to the Executive Board of Directors by the membership.

The Representative serves as the Chair of the Adult Clinical Committee and oversees ATSA's strategic goals and objectives related to clinical work with adults.

The Adult Clinical Representative:

- Adheres to the Executive Board of Director's job description and ATSA's Code of Ethics;
- Oversees the publication of key ATSA documents related to clinical work with adults who have sexually offended;
- Ensures careful consideration of issues relevant to clinical practice with this population in ATSA Executive Board of Directors discussions and decision making;
- Ensures that ATSA's treatment and policy statements represent best practice based on research-informed clinical practices;
- Assists in developing tools or strategies to support clinical learning and practice for members and non-members;
- Works closely with other ATSA committees such as Public Policy, Research, Education and Training, and Membership;
- Promotes treatment and develops resources to support clinicians and non-professionals;
- Manages a budget related to committee activities.

Qualifications

Candidates for the Adult Clinical Practice Position are a clinician and ATSA member in good standing. Candidates are individuals excited and passionate about treatment and have extensive clinical experience in evidence-based and other research-informed practices

involving the assessment and/or treatment of adults who have sexually offended. Candidates require experience with clinical supervision, program development or oversight, and/or the provision of training/education pertaining to adults who have sexually offended.

Ideal Candidates Will Have the Following:

- Sound understanding of current research pertaining to adults who have sexually offended and the associated applications/implications for assessment and treatment practices with this population;
- Practice experience in correctional, inpatient, or outpatient mental health and/or community-based settings;
- Strong written and verbal communication skills;
- Strong leadership skills;
- A spirit of collaboration and willingness to work with the committee(s) and board structure and with the ATSA Executive Director and office to address and promote ATSA's mission and vision.

The Association for the Treatment of Sexual Abusers (ATSA) is an international, multi-disciplinary not for profit organization dedicated to preventing sexual abuse. Through research, education, and shared learning ATSA promotes evidence-based practice, public policy, and community strategies that lead to the effective assessment, treatment, and management of individuals who have sexually abused or are at risk to abuse.
