SPECIAL NEEDS

Please email office@atsa.com or call 503-643-1023 to request special accommodations needed to participate in the conference.

SESSION SELECTION

ATSA asks that you select sessions at the time you register so that conference planners can determine the general level of interest and the technical support that may be needed for each virtual "room." However, this does not mean you are required to attend these sessions in October. You can attend anything you'd like, since there are no room size limits this year! You have plenty of time to get that comfy chair or mat and browse the program at your leisure. You can choose which session to attend at any time before that session starts.

CONTINUING EDUCATION CREDITS

To receive Continuing Education credits, you must attend for at least 80% of a session to receive credits for that session.

SESSION SCHEDULE

Three sessions are offered each day in addition to the plenary and poster sessions. All sessions are included in the conference fee. Sessions will follow the posted schedule in Pacific Daylight Savings Time (GMT – 7).

CONFIRMATION

All registrations will be confirmed by ATSA within one week of receipt of the registration form. The confirmation will serve as your receipt of payment. If you do not receive confirmation, please email office@atsa.com or call 503-643-1023.

ATTENDANCE

This year, for the first time ever, ATSA is coming to you. No need to pack a suitcase or worry about making that flight! Just look for your emailed invitation October 19, 2020, which will allow you to enter the conference site. The confirmation will be emailed to the email address you used to register. Once you receive your invitation, it's just a "one click and you're there" trip to the virtual platform.

CANCELLATIONS AND REFUNDS

Refunds will not be issued for non-attendance.
