

Blending Voices. Strengthening Lives.

Association for the Treatment of Sexual Abusers
39th Annual Research and Treatment Conference

Dear Colleague,

The Association for the Treatment of Sexual Abusers is pleased to announce that we will present the 39th Annual ATSA Research and Treatment Conference through an online platform on October 21 – 23, 2020.

The results of speaker and stakeholder surveying, conversations with representatives in San Antonio, and the ever-changing data and urgency of the Covid-19 prevention efforts made it clear #ATSA2020 would move online. There are many benefits to a virtual platform, but the one we are most excited about is increasing ATSA's reach, and delegate's access to ATSA. We feel this will strengthen the work and lives of current and future members in our network through increased access to education, opportunity, and collaboration.

ATSA is offering several ways in which you can present your services, agency or company to the approximately 1,500 professionals who will be attending the conference. The opportunity to restructure conference and increase accessibility to trainings is truly exciting. We are committed to bringing attendees 3 days of quality content and engaging trainings, networking opportunities, as we reach more delegates than ever before.

Information for #ATSA2020 regarding registration launch, pricing, continuing education, and the program of events will be forthcoming. For the latest updates stay connected via [website updates](#), blast emails, [Twitter](#), and [Facebook](#). Information about various opportunities, as well as virtual exhibit booths, is included with this letter. If you are interested in a booth, please read the Terms and Conditions document, complete the required forms and submit to the ATSA office with the necessary fee. **Exhibit space will go quickly!**

I hope you will choose to support the ATSA Conference in terms of supporting an event, reception, and/or reserving a virtual exhibit booth during this exciting first-ever virtual ATSA conference. Please do not hesitate to contact me at (503) 643-1023 if you need additional information or have any questions or concerns.

We look forward to your participation in creating this "ATSA history" with us during the ATSA 39th Annual Research and Treatment Conference. The show must go on, and thank to you, so it will!
